## Our Coffee Partner

Exilior is an exciting new local coffee company with a focus on environmental and social health. We've partnered with them to offer a complete package, perfect for holiday gifts or to support your everyday needs from "Dawn to Dusk"

Roast Profile: Light - Medium

Flavors: Blackberry, Sweet Orange, Floral

Region: Nyeri, Kenya

Description: Kenyan coffee is undeniably unique, intensely aromatic, vibrant yet clean and crisp, not subtle or delicate, and is well-balanced.

The flavor tends to run the full sensory scale - from dark fruits to refreshing citrus, from raw honey to dark unrefined sugar, and from syrupy mouthfeel to a lingering sparkling wine-like acidity finish.
